Dear Mr. Heid:

Unfortunately, your letter of November 30 didn't arrive until yesterday, by which time my husband had been gone for two days. He has a very heavy schedule which will keep him overbusy until Christmas, and I expect him to be at home for only two days at most in that time, and that will be this weekend. As soon as he gets home from a trip, he goes over the accumulation of mail and replies to all letters. I'm sure yours will be among the first he will answer.

Incidentally, that was a repeat program of Long John's you heard.

I'm sorry I can t be more specific.

Sincerely,

Lillian Weisberg
